

## Acknowledgements

The Editors wish to thank the **Academy of Family Physicians of Malaysia** for funding the printing of this book and to disseminate this book for free to the medical community and the general public. Three articles in this book are reproduced from *Family Practitioner*, a journal previously published by the then College of General Practitioners of Malaysia.

- Article 1. Put not new wine into old bottles. *Family Practitioner*. 1974;1(4):15-7.
- Article 4. First William Pickles Lecture. The evolution of general practice. *Family Practitioner*. 1981;4(1):5-10.
- Article 6. A proposal for the training of physicians in primary care for the rural areas of Malaysia. *Family Practitioner*. 1984;7(1):58-61.

We wish to thank especially the following individuals:

1. **Dr MK Rajakumar** who gave permission for us to republish his writings.
2. **Dr Wei-Seng Chen**, for supplying the cover photograph.
3. **Ms Ivy Yeo** (Dr Rajakumar's nurse), for helping to retrieve Dr Rajakumar's articles.
4. **Mr Kim Teng** ([www.ejireh.net](http://www.ejireh.net)), for designing the book cover.

Other organisations and publishers (in alphabetical order) that have graciously granted permission to reprint copyrighted materials are listed below. The contact persons in these organisations and publishers are included in square brackets.
